KEY LIME TIME

Key lime pie, made with limes from the Florida Keys, is a traditional favorite, and **Barlean's** new **Key Lime Omega Swirl** perfectly captures the taste of this popular pie in a delicious omega supplement. Key Lime Swirl delivers 1,500 mg of EPA/DHA per serving, and, like all of Barlean's Swirls, it's sweetened with xylitol, giving you the taste of the sweet treats you love without the sugar. Key Lime Swirl is made with Barlean's Fresh Catch Fish Oil, an ultra-purified, guaranteed-purity fish oil. Mix into yogurt, smoothies, or enjoy it alone by the spoonful!

SPARKLING TASTE

Pour one poolside and enjoy great cola taste without the sugar or artificial sweeteners. **Zevia** is sweetened with natural stevia, and now comes in three new flavors: **Cherry Cola**, **Lime Cola**, and **Strawberry**. Zevia Cherry Cola is the combination of delicious Bing cherry flavor and Zevia cola, which itself has light citrusy notes. Zevia Lime Cola is full of citrusy zing that will bring a smile to your face. And Zevia Strawberry is the perfect summer treat.

6 | American Health Probiotic CD

If you think the best probiotics are enteric coated, think again. Probiotic CD features an advanced probiotic technology that releases micro-organisms into the entire intestinal tract where you need it most. Because it works hour after hour, once a day is all you need to keep digestive and immune health in balance.

7 | derma e Scar Gel

Help soften, smooth, and diminish the look of scars—especially those that are lumpy, bumpy, or discolored—with derma e's Scar Gel. Rich in onion, allantoin, and panthenol, this non-oily, pleasant-smelling formula helps resolve scars and encourage healthy skin naturally.

8 | Bricker Labs Carnipure L-Carnitine

This tasty raspberry flavored liquid offers 1,100 mg per serving of Carnipure, a proprietary form of L-carnitine that supports heart health and energy.

9 | Nordic Naturals Nordic GLA

Nordic GLA is a vegetarian borage oil made exclusively from non-GMO borage seed. It is formulated from a unique omega-6—gamma linolenic acid (GLA)—that offers natural anti-inflammatory support. Supporting healthy skin, joints, and hormonal balance, it is effective on its own, or in combination with any Nordic Naturals omega-3 product.

10 | Sanhelios Circu Caps

Promotes healthy circulation through the veins, especially for women who occasionally complain about that "heavy feeling" in the legs. Also supports normal circulation in the sensitive tissues of the rectum. Highly concentrated extract of Butcher's Broom. All you need is one capsule per day.

11 | Essential Formulas Dr. Ohhira's Probiotics

Modern science merges with ancient Japanese fermentation artistry to create Essential Formulas Dr. Ohhira's Probiotics. This original formula is made with 12 probiotic strains in a three-year fermentation process that encourages survival of the strongest bacteria for a stable blend that doesn't require refrigeration. It helps relieve occasional gas and heartburn, maintain healthy intestinal pH and digestive function, enhance absorption of nutrients from food and other supplements, and support a healthy immune system.
